

Heucheras

*It's hard to think of a place
a Heuchera won't fit in.*

They're at home under trees, in rock gardens, containers, borders and as ground covers.

Heucheras enjoy the sun making wonderful edging plants.

When planted in groups
Heuchera really put
on a great show.

1. Sashay
2. Amythyst Myst
3. Rave On
4. Berry Smoothie
5. Southern Comfort
6. Midnight Rose
7. Georgia Peach
8. Marmalade
9. Obsidian
