Pricing 2018-19

We will be increasing prices by an average of 3% from Monday 17th September.

I am very conscious that we are trading in a low interest economy at present but we still face steady rises in the cost of seed, containers and labels, plus a rise in the cost of freight from our primary carrier and of course the minimum cost of labour, our single biggest input has recently increased 3.4%. We are happy to "split trays" to ensure you have the best range of product on hand and minimize waste but please remember we charge a 5% premium to cover some of our labour cost.

Thank you for your support You and like minded independent garden retailers are our first and only priority, our aim is to offer you a premium product that gives you a distinct point of difference to your Big Box competitors.

Here's to a cracking Spring.

Please check your email for a detailed price table with net, FIS pricing prepared for your business. Alternatively please call 03 9798 7066 and we will provide a copy.
