Vegetable Seedling Punnets

Sadly there are NO My Vegie Garden Seedlings included on this week's list. We have sold twice the volumes of recent years over the past 3 weeks and eventually that caught up. We are taking a week's break and hope to have stock of decent size on the list for Monday 30 March.

COVID-19 and Social Distancing

In the interests of keeping you and our staff safe, and keeping both of our businesses operating as long as possible we are making some practical changes to ensure minimal person to person contact. One way to achieve this is to deliver invoices by email (or fax where necessary). Our driver will keep a record of the time of delivery as a PoD. We request that you print the invoice and check the stock and report any discrepancy as soon as practicable. Thank you in advance for supporting this measure.
