

Culinary Peppers

Chillies & Capsicums

Are all colourful Peppers edible?

No, some Peppers taste terrible but doesn't mean they aren't hot!

Pepper heat is a quite separate thing to taste.

Here is our range of colourful edible Peppers!

1. **Snack Pepper**
- a mild, child - friendly sweet orange pepper 
2. **Chenzo**
- jalapeno with heat, fruit turns from black to red 
3. **Basket of Fire**
- spicy hot, fruit turns from cream to orange to red 
4. **Mohawk**
- sweet compact, fruit turns from green to orange 
5. **Cheyenne**
- bright orange medium hot fruit 
6. **Apache**
- compact with masses of super hot, bright red fruit 
7. **Loco**
- compact mildly hot, fruit turns from purple to red 
8. **Hot Carrot**
- this orange pepper is a hot one!!
