WHAT LIVE STOCK LEVELS ON EVERGREEN CONNECT MEANS FOR YOU!!!
With live stock levels working largely as anticipated we want to make sure you know how to make the most of it.
First of all you will only get the benefits if you order using Evergreen Connect (you do not have to be a member just use the green button on our weekly Friday Availability email). In fact you will be at a disadvantage if you don't because our Availability List PDF will be out of date by the time we enter it.
*Because the stock counts down based on orders received on Evergreen you can be much more confident that you will get what you ordered (can't guarantee this but we are fulfilling all orders to a much greater extent). We are very excited about the benefits to everyone that live stock levels presents. Spring will be the true test but we are putting in a lot of work now in preparation. If you aren't currently use Evergreen Connect we **STRONGLY ENCOURAGE** you to give it a go.*

'IMPORTANT NOTE'
ORDERING SEEDLINGS ON EVERGREEN
Ordering seedlings (and pots) on Evergreen Connect is by far the the most efficient and accurate way to order, especially now that we have live numbers.
*To keep it accurate please make sure that you order in the **number of punnets required** (not trays). For example, to order one full tray of My Vegetable seedlings you will type **10** in the Quantity box (Ordering pots and baskets is similar, you order the number of pots or baskets you want).*
