'IMPORTANT NOTE'

ORDERING SEEDLINGS ON EVERGREEN

Ordering seedlings (and pots) on Evergreen Connect is by far the most efficient and accurate way to order, especially now that we have live numbers.

To keep it accurate please make sure that you order in the **number of punnets required** (not trays). For example, to order one full tray of My Vegetable seedlings you will type **10** in the Quantity box (Ordering pots and baskets is similar, you order the number of pots or baskets you want).
